Let's not say goodbye because goodbye sounds too final, as if we were closing the door on all we've shared, as if we were closing the door on each other. So let's not say goodbye. Let's leave a window open in our hearts and in our lives for someday when the time may be right to say hello again.

GOOD LUCK TO THE CLASS OF 1994.

Anna Salamone-Consoli Principal

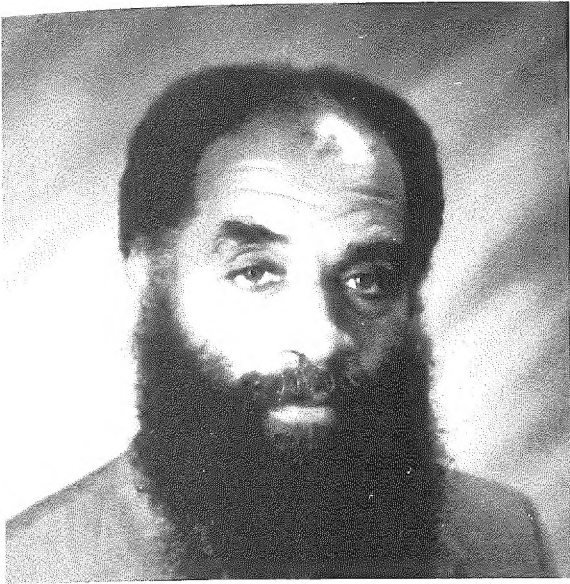

To the Class of 1994:

Congratulations as you move from Bulkeley High School on to the next stage of your life. Whether you are off to college, to work, or to the home front, I have every confidence that you will be successful in any endeavor to which you set your mind. With all that you have learned at Bulkeley, you have the capabilities to make your future just what you will. Life for you will not be boring, for you understand something of the breadth of what is available for the seeking. You have lived and explored cultures other than your own, you have studied the environment, and you know in your heart of hearts what needs to be done to improve the community of nations and our world closer to home. You have acquired skills of leadership, communication, and judgment to assist in your chosen careers and your volunteer commitments.

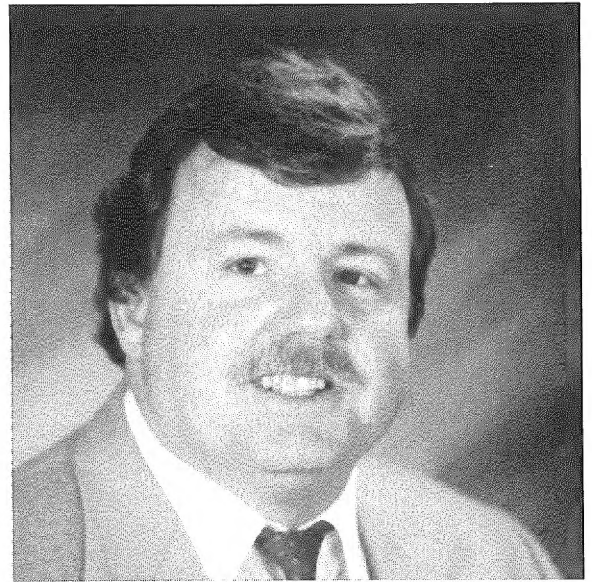

As you look forward, I hope you will not forget also to look back from time to time, to recall the friendships you have made here, to reflect upon your scholarly work, and to keep in touch with Bulkeley High School. You are the role models to whom future students will look. Your successes will cause us to cheer, and we will seek your wise and sensitive counsel. Once you have passed through these halls, you become a part of that long continuum of graduates who preceded you and others who will follow. In that line, called the Bulkeley Family, is the strength of this school's past and our hope for the future. You are very much a part of us now, and we wish you well and as always, I love you.

BULKELEY HIGH

School we hold so dear,
To our hearts so near;
We shall always keep Thy fair name clear.
We shall do or die,
Raise thy standard high,
And whatever we may do To Bulkeley we'll be true.

So let us sing to Bulkeley High,
Forever Bulkeley is our cry,
Tho' many long fights and grim battles there be,
We'll lead thee ever on to victory.
Let's have a cheer for our great school,
And we shall prove that we can rule;
Vow to the best to always stand the test For Bulkeley High.

Listen as we sing,
Pleasant voices ring;
We shall many honors To thee bring,
Ever shall we cry,
"Forward Bulkeley High"
Alma mater to thee always We'll bring victory.

So let us sing to Bulkeley High,
Forever Bulkeley is our cry,
Tho' many long fights and grim battles there be,
We'll lead thee ever on to victory.
Let's have a cheer for our great school,
And we shall prove that we can rule;
Vow to the best to always stand the test For Bulkeley High.

hate, and
confusion.
Confused for it is
not a result of
thought, it is one
of hateful

and wife will soon
cry out, "Are you
ready to
surrender to
you to live. And
weeping to you, we
reach out our
empty hands with
giving."

Pipe you were
one of those who
stood with pride
and on your sleeve
wore your manhood.
Caught up in the
romance with the
street life, you
devoted it to your
brotherhood.

Our hearts
 beat every minute of
 every day.
 Remembering that
 among men your
 free
 flowing spirit,
 flow parts of our
 souls, that are
 now cut away.

We will never ignore the fact that you are no longer here. Enduring pain each day is the only way to live. Why? And there's no answer even remotely clear.

ourselves, "What didn't we do? What didn't we say? Did we not reach out soon enough for him"? Knowing we choke inside, everytime we reach out to hold our friend Pipe, and only grasp the empty space where he once had been.

— From you, Alice.
